

The **George Street Neighbourhood Centre** wishes to employ an enthusiastic & professional team to work from a multidisciplinary approach, focusing on the needs of families with children 0-8 years. These new positions will be operating out of George Street Neighbourhood Centres new Shakespeare Child & Family Centre.

Hub Coordinator/Family Support Worker (full-time)

Good Beginnings Home Based Family Support Program Coordinator (full-time)

These positions require people with suitable qualifications and experience to work with families through a range of issues and complex needs. The Good Beginnings Program involves training and supporting volunteers to assist families in their own homes.

Early Years Health & Wellbeing Program Facilitator - (full-time) / Liaison Worker - (full-time)

Applicants for these positions must possess good communication skills and knowledge of the various agencies that support children in their early years of development. These roles require the ability to build links with key stakeholders and a willingness to work within a school environment.

Indigenous Parenting Program – Coordinator (part-time)

This position will be responsible for delivering an Indigenous Triple P Program & providing support to families in this community.
